

what the YWCA needs ...

Cell Phone Drive

Help the YWCA's Domestic Violence & Sexual Assault Program while being kind to the environment!

Collect used cell phones & batteries [accessories and/or manuals not needed].

Proceeds support the YWCA of Greater Lawrence's *Violence Prevention Programs*, which provide emergency services to women and children and which offer schools, companies and the public preventive education programs on domestic and sexual violence.

Phones are shipped from the YWCA - at no cost - to a remanufacturer, which *contributes a proceed for each phone*. Your phone is *re-cycled* and the proceeds support these important local programs.
